Away in a manger

The cattle are lowing, The Baby awakes
But little Lord Jesus No crying He makes
I love Thee, Lord Jesus Look down from the sky
And stay by my side, Until morning is nigh.
Be near me, Lord Jesus, I ask Thee to stay
Close by me forever And love me I pray
Bless all the dear children In Thy tender care
And fit us for heaven To live with Thee there.

O Little Town of Bethlehem

O little town of Bethlehem how still we see thee lie
Above thy deep and dreamless sleep the silent stars go by
Yet in thy dark streets shineth the everlasting light
The hopes and fears of all the years are met in thee tonight

O morning stars together proclaim the holy birth
And praises sing to God the king and peace to men on earth
For Christ is born of Mary and gathered all above
While mortals sleep the angels keep their watch of wondering love

How silently how silently the wondrous gift is given
So God imparts to human hearts the blessings of his heav'n
No ear may hear his coming but in this world of sin
Where meek souls will receive him, still the dear lord enters in

O holy child of Bethlehem descend to us we pray
Cast out our sin and enter in be born in us today
We hear the Christmas angels the great glad tidings tell
O come to us abide with us our lord Emmanuel
